

# Conquer Your Network Challenges

Take charge of your enterprise mobility transformation for Gen Mobile

Gen Mobile users rely on mobile devices and Internet connectivity to work and collaborate from anywhere at anytime.

105 Million

The U.S. mobile worker population by 2020<sup>(3)</sup>

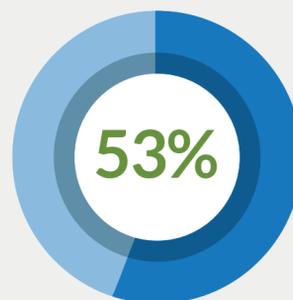

The number of connected devices currently used per person<sup>(1)</sup>

Be prepared. As the number of devices increase, so do potential risks.

33 Billion

Interconnected devices worldwide by 2020<sup>(1)</sup>

U.S. companies without a formal BYOD policy for security<sup>(2)</sup>

Win the battle of the network challenge and achieve workforce transformation with wired/wireless solutions that fit Gen Mobile and work in your IT environment.

Aruba Networks ClearPass Policy Manager from Hewlett Packard Enterprise is the single platform from which to manage all things mobile and provides:

- Network management
- Guest access
- Authentication, authorization and accounting (AAA) security
- Policy enforcement
- Intrusion detection system (IDS)/wireless IDS (WIDS)
- Location services
- Network performance monitoring (NPM)

Choose a strong ally to accelerate mobility and the workforce transformation.

Continental Resources (ConRes), a Hewlett Packard Enterprise Platinum Partner, can ease the burden on your IT and propose actions and solutions to conquer your network challenges.

ConRes can assess, propose and implement the right course of action with the help of:

- ✓ 70 engineers with advanced certifications
- ✓ Master ASEs in all HPE categories
- ✓ OEM and integrator partnership with HPE
- ✓ Client infrastructure 24/7 monitoring service
