

When **hiring** new employees or consultants, a **Company** is confronted with handling a bunch of legal **documents** per candidate. Here is a list of the most common ones, depending on the job position & company:

- Identity Card
- Dimona
- Driving Licence
- Diplomas
- Student@Work Attestations
- Any types of Forms
- Criminal Records
- Bank Cards
- Working Permit
- Training Certificates
- Limosa
- Good Conduct Certificates

CheckHub.io **enhances** your **recruitment process** with automated **handling** of necessary **documents** when hiring a candidate.

Our solution helps companies to **decrease** their **administrative internal labor**.

CheckHub's features include:

Collecting and **centralizing** documents with automated recalls to candidates per texts, mails and calls.

Checking all provided documents thanks to Optical Character Recognition (OCR) & Document Layout Analysis.

Giving **reports** through clear **dashboards** & allowing document specific exports.

Allowing candidates to **upload** documents with **any mobile devices**.

Securing and encrypting provided data for all users.

Notifying the company when all documents are gathered and candidates are ready to be hired.

Sharing information and managing different users access.

The screenshot shows the CheckHub.io dashboard. At the top, there are navigation links for 'Candidates', 'Documents', 'My Profile', and 'Logout'. Below this, a 'CANDIDATES' section features three colored boxes: 'TO DO' (5), 'PENDING' (12), and 'DONE' (35). A search bar and 'Add a candidate +' button are visible. The main table lists candidates with columns for Name, Requested Docs, Uploaded Docs, Created, Last connection, and Status. The status column uses colored dots (red, yellow, green) to indicate candidate status. An 'Export selection' button is located at the bottom right of the table.
