COCKTAILS

MELBOURNE MOONSHINE

In our travels researching for the booze-fuelled idea that would one day become GreenHill, we stumbled upon an unassuming warehouse in the heart of Melbourne's south. Here, two secretive gents were hard at work fermenting, distilling and sampling what those in the original South like to call moonshine – a sweet, corn-based liquor that will light a fire in your belly and warm you all the way to your toes.

When we uncovered this mysterious white lightning we couldn't forget it – so in a deal sealed in a handshake and many, many drinks, we brought it to Brisbane and dedicated GreenHill's cocktail menu to this unique, refined and utterly drinkable spirit.

MOONSHINE FIZZ

Like a Gin Fizz without the gin, this Southern garden party in a glass adds a little country elegance to any evening. Enjoy it under the moonlight, or enjoy it in the searing sunshine – just enjoy it nice and slow.

Melbourne Moonshine Sour Mash, lemon juice, sugar syrup, ginger juice, gin barrel aged orange bitters, egg white,

BOOTLEGGER LEMONADE

As any bootlegger worth their salt will tell you, where there's a home grown lemonade stand, there's a moonshine still out the back distilling sweet white lightning, and when the two get together, well, there's magic to be made.

Melbourne Moonshine Sour Mash, house southern smokey lemonade

WHEN LIFE GIVES YOU APPLES...

There's nothing like a big slice of spiced apple pie to have you dreaming of gingham aprons, blonde curls and perky... but we digress. It's apple pie, in a glass.

Go on, have a sip.

Melbourne Moonshine Apple Pie, Crawley's spiced honey & apple syrup, herbal liquor, sparkling

THE JACKED ROSE

This little minx would make Shirley Temple blush – and not just from the Moonshine. Sit down, prepare yourself for a good night and let us get you all shook up.

Melbourne Moonshine Apple Pie, lemon juice, Crawleys grenadine

SOUTHERN OLD FASHIONED

This one's for the fancy dandies and salt of the earth types alike. A little old fashioned, a little bit modern gentleman (you know who you are), it'll put some hairs on your chest but leave you talking smooth.

Melbourne Moonshine Sour Mash, pear liqueur, sugar syrup, Fee Bros Whiskey Barrel Bitters

SWEET TEA JULEP

We figure we're green enough up here at the bar, so we've swapped out the mint for a little Southern sweetness and just a hint of bitters in our julep – because frankly, the only leaves we're fond of are the ones in our pipe.

Melbourne Moonshine Sweet Tea, lillet rouge, sugar syrup, burlesque bitters
