Our History

Established in June 1973 when President and Broker-in-Charge Eugene (Beau) Forshee, Fred L. Wilcox, and M. Murray (Mackie) McLendon purchased Martin's Real Estate Co. They changed the business name to **GARDEN CITY REALTY** to reflect its location at the corner of Atlantic Avenue and Dogwood Drive in Garden City Beach.

The first office consisted of two rooms (approximately 500-square-feet) and served the company well until 1978 when **GARDEN CITY REALTY** moved to its present location.

In August 1977, licensed real estate agent, Dennis McElveen, joined **GARDEN CITY REALTY**. He became partner and Vice President in 1982. In 1981, W. Lee Hewitt, III, joined the team as a licensed real estate agent and eventually obtained his South Carolina Real Estate Broker's license.

Since 1973, the vacation rental inventory has grown from 18 to approximately 400 properties.

In 2001, **GARDEN CITY REALTY** acquired By the Sea Realty and its on-site oceanfront office located at Surfmaster By The Sea. In 2009, they purchased and merged Condotels, adding more premier high-end oceanfront properties to its vacation rental inventory.

In October 2006, President Eugene (Beau) Forshee retired and transferred his stock to President Dennis McElveen and Vice President W. Lee Hewitt III.

In August 2021, President Dennis McElveen transferred his stock to his son, Andrew (Drew) H. McElveen, a licensed South Carolina Real Estate Broker. Drew joined **GARDEN CITY REALTY** after graduating college in 2014.

Today, **GARDEN CITY REALTY's** stockholders include President W. Lee Hewitt III and Vice President Andrew (Drew) H. McElveen.

The Sales Department has 12 sales professionals, all of whom strive to provide clients with the most

satisfying, well-informed real estate experience.

A LOCAL BUSINESS SINCE 1973

What We Do for You

Let **GARDEN CITY REALTY** utilize our experience and expertise to ensure the best possible outcome in your home buying experience.

OBJECTIVES

Assist in finding your dream home.

Communicate with you regularly the results of our activities.

Assist in negotiating the best value between you and the seller.

GARDEN CITY REALTY is here to work for you. We strive to exceed your expectations and for our agents to be your Real Estate Consultants for life.

PLAN OF ACTION

1. Establish your criteria - needs, wants and expectations.

Detailed buyer profile:

- Price range
- Location of the property
- Style of the home
- Number of bedrooms
- Number of bathrooms
- Type of garage
- Lot size/acreage

2. Avoid wasting your time by making sure you are **pre-approved for financing** before beginning your home search.

Recommend lenders that will get you to the closing table.

GARDEN CITY REALTY has developed working relationships with trustworthy and competent lenders, who have earned our confidence throughout our years of experience within the industry.

3. **Monitor our local MLS** and input your search criteria for customized notifications. You are automatically emailed matched listings within seconds after their posting in the MLS system.

4. **Arrange showings** for the homes that meet your criteria. If you visit open houses, tell the host that you are working with a REALTOR® so there is no confusion with representation. I'll give you a supply of my business cards to give to the hosts.

5. When you are ready to submit an offer, **prepare a thorough CMA** to help determine the home's value by comparing its attributes to other homes sold or presently on the market within the area.

Compare:

- Square feet
- Number of bedrooms
- Number of baths
- Garage size
- Deck
- Type of heating and air conditioning
- Location

Provide a professional recommendation of the home's value range based on adjustments of CMA variables.

Recommendation based on:

- Condition
- Quality of construction
- Materials
- and "hot buttons" (skylights, trayed ceilings, etc)

Continued next page

6. Recommend you include **earnest money** when submitting your offer (typically 1 percent of the offering price). Earnest money reflects the buyer's sincerity in the purchase.

7. Recommend that a **home inspection** be written into the purchase agreement. Response on findings should be presented to the seller with plenty of time to address any concerns during the due diligence period.

There is a wide variance in level of expertise among the home inspectors in the area. **GARDEN CITY REALTY** has had experience with most of them and can offer assistance with choice if desired.

When major defects are identified, you as the buyer must determine which, if any, should be corrected by the seller.

Often it is best to get quotes for repairs and request a dollar amount at closing. If the seller declines to correct the defect, the buyer can request the return of the deposited earnest money. The buyer is also released from the contract.

What is a Major Defect?

A major defect is any defect that would have a negative effect on the long-term value of the home or the safety of its inhabitants, if not replaced or corrected.

Examples:

- Heating & Air Conditioning
- Electrical
- Leak in the roof (moisture problems)
- Structural

8. Outline out-of-pocket expenses you can expect to pay.

What to expect:

- Appraisal *
- Credit report *
- Home inspection *
- Homeowners insurance

**Sometimes paid at closing*

9. Recommend the seller include a **home warranty** in the sale of the home.

A home warranty protects you from unplanned expenses, including furnace and air conditioner protection.

10. When needed, make recommendations for:

- Obtaining a Home Warranty
- Homeowners Insurance
- Moving Companies
- Contractors, *when required*

WHAT ABOUT NEW CONSTRUCTION?

Top issues that a **GARDEN CITY REALTY** Buyer Representative will help you avoid:

- Spending more time on construction than intended - Negative equity
- Lack of professional home inspections
- Not pricing main upgrades upfront
- Contracts written in favor of the seller
- Not knowing the market value
- Substandard construction materials
- Overpriced add-ons and extras
- Getting a less than desirable lot
- Not being aware of builder special discounts
- Inappropriate upgrades for the neighborhood

Why Choose a Realtor

SEVEN REASONS TO WORK WITH A REALTOR®

REALTORS® aren't just agents. They're professional members of the National Association of REALTORS® and subscribe to its strict code of ethics. This is the REALTOR® difference for home buyers.

1. Ethical treatment. Every REALTOR® must adhere to a strict code of ethics, which is based on professionalism and protection of the public. As a REALTOR®'s client, you can expect honest and ethical treatment in all transaction-related matters. The first obligation is to you, the client.

2. An expert guide. Buying a home usually requires dozens of forms, reports, disclosures, and other technical documents. A knowledgeable expert will help you prepare the best deal, and avoid delays or costly mistakes. Also, there's a lot of jargon involved, so you want to work with a professional who can speak the language.

3. Objective information and opinions. REALTORS® can provide local information on utilities, zoning, schools, and more. They also have objective information about each property. REALTORS® can use that data to help you determine if the property has what you need. By understanding both your needs and search area, they can also point out neighborhoods you don't know much about but that might suit your needs better than you'd thought.

4. Expanded search power. Sometimes properties are available but not actively advertised. A REALTOR® can help

you find opportunities not listed on home search sites and can help you avoid out-of-date listings that might be showing up as available Online but are no longer on the market.

5. Negotiation knowledge. There are many factors up for discussion in a deal. A REALTOR® will look at every angle from your perspective, including crafting a purchase agreement that allows enough time for you to complete inspections and investigations of the property before you are bound to complete the purchase.

6. Up-to-date experience. Most people buy only a few homes in their lifetime, usually with quite a few years in between each purchase. Even if you've done it before, laws and regulations change. REALTORS® handle hundreds of transactions over the course of their career.

7. Your rock during emotional moments. A home is so much more than four walls and a roof. And for most people, property represents the biggest purchase they'll ever make. Having a concerned, but objective, third party helps you stay focused on the issues most important to you.

Why Choose Us

In 2005 we began surveying buyers and sellers; 100 percent of our clients said they would choose **GARDEN CITY REALTY** again to purchase or sell their property – and many of them already have. **GARDEN CITY REALTY**'s undisputed reputation of integrity, professionalism and trust is confirmed time after time by the buyers and sellers who choose us for all of their real estate needs.

All of our agents have earned distinguished real estate designations† and several have been recipients of prestigious recognitions such as REALTOR of the Year and REALTOR Image Award.
