SECURITY.

Our hostel rooms at Cyberia Smart-Homes are well-protected by 24-hour Security Guards and lots of CCTV Security Cameras on every road and backyards.

FOOD & GROCERIES.

Students staying at our hostel can get reasonably-priced halal food, snacks and groceries at the nearby community centre / club-house and the shops, all within just a few minutes walk.

AMENITIES.

Our hostel students can also enjoy "free-to-use" amenities at the community centre / club-house which is next to our hostel block.

The amenities are the swimming pool, gym, badminton court, basketball court, futsal court and BBQ area. There is also a surau inside the community centre, with male and female prayer rooms.

HOUSEKEEPING, REPAIRS, MAINTENANCE.

Our Kakak Cleaners will provide daily house-keeping to keep the hostel always clean, hygienic and fresh-smelling.

Our hostel's Maintenance Staff will make sure all complaints are attended to and solved within the same day.
