APPRENTICES**

***We offer real bonuses
that are not hidden
in our prices!***

Professionals have come to expect innovation and increased productivity when using GEARWRENCH products; you can continue to expect the same superior design and construction to make you more productive on the job. A tool storage system that stands up to your growing demands. Formed with rolled over drawer walls, heavy gauge steel bodies, and stamped drawer bottoms; provides the required strength, durability and rigidity to withstand your professional demands.

Barrel style lock and key are a unique combination for security and durability

Double Ball-Bearing construction offers exceptional drawer load capacity of 40kg and easy slide action. All drawers come with drawer liners

Formed with rolled over drawer walls for added strength and rigidity

Dual gas shocks on lids offer support and easily controlled closure

One set of swivel and locking casters on all trolleys.

*Excluding 83155N which has 4 swivel casters

Trigger Lock drawer system keeps drawers in place and opens with a natural pull operation. All drawers feature Auto Return, which snaps the drawers closed in the final inches of operation

High strength lift handles are integrated into the box wall for added durability and lift capacity

Rear access rubber grommet on our chest range allows power cords to pass through. Charge your power tools and keep them secured in your top compartment
