

BOTTLED BLONDE

DALLAS, TX

Bottled Blonde Dallas will be the newest entertainment project in the Deep Ellum District of Dallas Texas. Immediately adjacent to the DART, and other future office and multifamily developments, this area will see a massive resurgence in the next few years. There are over 1,200 apartments planned with a 2 mile radius. This 18,000 sq ft Bottle Blonde concept, which has already proven to be widely successful in Scottsdale AZ, will bring an expansive indoor/outdoor experience featuring an inviting family environment focused on social activities and modern American cuisine.
