

GILBERT MARKET

GILBERT, AZ

Gilbert Market is the newest ground up development coming to Gilbert's Heritage District. Two separate sites will offer both office and retail space. Site A will be a 40,571 sq ft four story office building with 8,670 sq ft of retail on the ground floor. The building will seamlessly bridging the gap between interior and exterior space creating a dynamic environment that blends social and business activity. Site B will activate Gilbert Rd with a 4,934 sq ft retail building. These business will complement the explosion of nighttime entertainment that is flourishing in the area. The project was designed with metals, natural wood and saw tooth architecture bringing the old warehouse feel to the Heritage District. The space focuses on bringing outside elements indoors with on sidewalk patios, large windows and will feature a retail co-op with many small vendors in one seamless space as well as an entertainment venue and restaurant.
