

STARA TECHNOLOGIES INC.

GILBERT, AZ

This 74,514 sq ft office/warehouse building is located on the NW corner of McQueen Rd & Sunrise Blvd in Gilbert, AZ. It was purchased by DBM Ventures in 2012 and shortly after leased to STARA Technologies. LGE & DBM took on extensive improvements to retrofit the space for STARA's requirements. It was originally built by LGE Design Build in 2000. It sits on 5.3 Acres of prime land and continues to be a desirable building for users in the area.
