

BETH NOTARIUS

Chief Heartpreneur Empowered Living, Inc.

Beth gets adults unstuck from grief and drama so they can compassionately care for loved ones, succeed at work and enjoy life - regardless of the challenges they face.

She is...

The creator of, ***Relate-Create-Hope-Cope Approach to Empowerment™***

A ***Certified Grief Recovery Specialist®*** (with emphasis on "Recovery")

A ***TED* (*The Empowerment Dynamic)™*** Practitioner

In 2010, after 20 years and national recognition as the leader in sales and implementation of a wholesale distributor software system, Beth experienced life-changing losses with her father's death to Alzheimer's and the sudden death of her husband/business partner.

She recovered, healed, changed careers and upgraded her title from President to Chief Heartpreneur and started Beth Notarius, Inc. and its division, ALZ Hope.
