VENDOR RULES

The Market will operate on Saturday from 9:00am to 1:00pm. Vendors may begin load in at 7:30am and must be set up no later than 8:30 a.m. so there is no interruption in service. Tear down may not begin until 1:00pm unless Market Manager specifies otherwise.

Each vendor needs to secure, display and keep current applicable state, county and city licenses for their type of goods or food products. Food booths must comply with all local Board of Health requirements as well as state laws and regulations.

Vendors will be limited to the sale of plants, bakery, produce, consumable items, locally grown produce, certified organic products related items sold by Farmer's Market vendors and holiday/seasonal items. Homemade and handcrafted items are given priority. The sale of other retail flea market items, crafts and antiques will not be permitted. Vendors will be limited to selling items that are listed on this application. No vendors are permitted to add new items for sale without pre-approval by Market Manager.

Vendor is responsible for booth set up. Booths must be covered by a 10' x 10' white tent unless otherwise approved by Market Manager. Vendor tents should have weights to hold them down in case of wind. All tables must be covered by a cloth to the ground (no table legs shown in front or on sides of tables). Vendor must have name displayed at all times by either securing a banner to the tent or on an a-frame or easel. All signage should remain away from foot traffic and pathways.

Vendors using a vehicle as their booth or any part of their booth must have prior approval from the Market Manager.

Vendors are required to bag and dispose of their own garbage in heavy duty garbage bags. At the end of each market, vendor must ensure that the booth area and immediate surrounding area is clear of all trash. Any violation of this may result in vendor being terminated.

A vendor that participates (minimum) forty weeks a year will be provided a reserved space, if they so choose, for consecutive weeks attended. If vendor skips a week their reserved space may be moved. Three no shows will constitute an automatic termination and another vendor selling the same item may be permitted to join the market.

Part-time/Seasonal Vendors are welcome but must be scheduled no later than the Monday before each market with the Market Manager. Part-time/Seasonal Vendors will be admitted based on availability and will not have a reserved space.
