

As a 10 year Army Combat Veteran, the military and Veteran's are a priority for me and my business. We've been known to partner/sponsor many amazing organizations in the area as a lot of you have, but doing something BIG for our Veteran's has been on my radar for a while.

After years of the dreaming and planning, Sam's Furniture and our family have created the "Honoring of Heroes Gala". Our 2018 Inaugural event was an amazing success and our plan is that 2019 will be even better! All the proceeds raised will be going to 3 amazing organizations that are truly changing the lives of our Veteran's!

I personally served many years in a combat zone and understand some of the sacrifices made. And every day that I wake up and kiss my wife & daughter, walk into my business, or simply take the family out for a fun day on the lake, I can't help but hope that every other veteran is getting to enjoy the life that he or she served for as well. Sadly, the reality is a lot of them are not. There are so many different effects that can happen to a person after experiencing combat. And there are so many tragedies that can happen to the families post combat related. These organizations we've selected to partner with are amazing at what they do! And that is simply trying to make the life of a Veteran and their family, BETTER!

On behalf of Sam's Furniture and my family, I ask that you deeply consider partnering with us as a sponsor, and support the lives of those who've served and sacrificed dearly so we can have the life we live!

Honoring of Heroes

2018 Veteran's Gala

Our inaugural Honoring of Heroes Veterans Event had over 800 Attendee's and was said to be "The Event of The Year".

Col. Oliver North, PFC Jessica Lynch, General Sisco, and many others shared from the heart on their Military Experiences!

With over 20 Veteran suicides a day in America, the need for faith based counseling and support for our combat veterans was common among all our speakers.

We raised over \$150,000 at our 2018 gala, and need your help to increase that in 2019.

We are currently booking speakers and entertainment for our upcoming gala and would love to have your partnership in this event.

Keynote Speaker:

Marcus Luttrell, Navy Seal

Marcus Luttrell joined the U.S. Navy in March 1999 and became a combat-trained SEAL in January 2002. After serving in Iraq for two years, he was deployed to Afghanistan in the spring of 2005. In January 2014, Luttrell's amazing story made the leap to the big screen with the blockbuster film, Lone Survivor. Operation Redwing's mission was to gather intelligence on a Taliban leader with ties to Osama bin Laden. When a Taliban force ambushed the four-man team on a remote ridge, Marcus Luttrell and his teammates valiantly fought for hours, refusing to retreat. After Marcus had watched all three friends die and had literally been blown off the mountain by an RPG, he began to crawl through the mountains in search of shelter. Five nights after the nightmare began, Marcus Luttrell was rescued. In the spring of 2007, Petty Officer 1st Class Luttrell retired. He was awarded the Navy Cross for combat heroism in 2006 by President George W. Bush.
