FAMILY HONOR DAY WEDNESDAY, MAY 20

Help restore patriotism and a spirit of selfless service this year by inviting families to participate in Family Honor Day. Simply download an Honor Week children's activity packet at honorweek.com and teach the next generation to love America as much as you do. Get your child's school, Sunday school class or even soccer team together for a fun-filled reminder of the important role our first responders and veterans hold in the well being of our nation.

ENCOURAGEMENT DAY FRIDAY, MAY 22

The best way to honor the fallen is to serve those who are still with us. On Encouragement Day, all Nashvillians are invited to write notes of encouragement to military and first responder families in our community. These notes will be distributed to REBOOT military and first responder healing course participants to let them know they aren't forgotten or alone. You can offer hope with just a few supportive words. Get your whole company, church, or neighborhood involved!

All funds raised will benefit **REBOOT Recovery**. With over 8,000 graduates spanning 35 states and six countries since 2011, REBOOT's trauma healing courses are bringing hope and restoration to military and first responder families nationwide.
