DISCOVERY TRACK

Perhaps the most widely known seminar in the Jewish world, Discovery takes you on a deep dive into the question of why so many rational, intelligent and questioning Jews believe that G-d wrote the Torah.

R' NOACH'S Z"L TEACHINGS TRACK

Rabbi Weinberg was one of the generations most beloved teachers of Jewish wisdom, and his classes inspired a generation of young Jewish idealists to undertake to change the world. The sessions offered on this track will open your mind to his most powerful ideas.

LEADERSHIP TRACK

Trailblazers have always been the hallmark of Aish HaTorah. On the leadership track, you will listen to, learn from and interact with lay and religious leaders of note focused on helping you and inspiring you to do more to help the Jewish people.
