

Personal Statement

Please submit responses to the following questions. This is an opportunity to communicate to MidlevelU your qualifications, interest and motivation for applying to the ThriveAP+ program.

1. What personal, professional, educational, and clinical experiences have led you to choose a profession as an advanced practice provider? What goals are you looking to accomplish in the ThriveAP+ program? Please share your vision and planning for your short and long term career development.
2. Identify areas of interest in which you would like to develop increased mastery, competence or confidence during the ThriveAP+ experience. Explain how you choose these areas and why.
3. As a ThriveAP+ participant, you will be matched with a primary care facility. What qualities and strengths do you have the you think will contribute positively to this experience? What apprehensions, concerns, and hesitations might you have?

Please limit responses to no more than one page per question. Email your responses attached as a document to midlevelu@midlevelu.com.
