## #1 DENTAL CARRIER IN THE NATION

96% customer satisfaction with preferred dentist programs

360,000 participating dentist locations

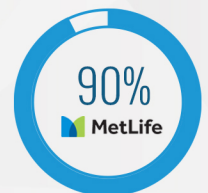

60% increase of in-network providers since 2011

## 75% NETWORK PENETRATION

When more dentists are in-network it eliminates the need to go out-of-network, meaning more saving, and less searching for providers. It's no wonder MetLife's in-network utilization is 9.7% above the industry average.

## HIGHEST OUT-OF-NETWORK REIMBURSEMENT

Other carriers high UCR of 90% is about half compared to MetLife's reimbursement. High reimbursements reduce your out-of-pocket costs.

## FULL SERVICE COVERAGE WITH A MINIMUM OF 2 EMPLOYEES PARTICIPATING

Full service means start to finish coverage from x-rays to implants and all the necessary prep work in between. Full service coverage is included in all 3 Dental plans.
