

RISING STARS HOLLYWOOD

FILM FESTIVAL

February 16 – 20, 2018

Rising Stars Hollywood Film Festival is a wildly unique experience where aspiring filmmakers and theatre students learn how to make their own films on a Hollywood set! During this intensive 5-day program students will shoot and star in their own work followed by a Red Carpet screening and awards ceremony.

- 3 hours filming on a Hollywood set
- 6 hours class instruction on industry standards and promotion of your work
- Industry mentors guiding and teaching students throughout the production process
- Each student has a specific role on the project
- Red Carpet screening of everyone's work
- Dinner and Q&A with industry professionals
- A day at Universal Studios

The Rising Stars Hollywood Film Festival is for ALL levels and all students who have an interest in making films!

How to Apply

An application must be completed and accompanied by a student-made short film following the below guidelines.

Participation Guidelines

- Divide your group into production groups of 12-15 students. Each production group should each have a name.

Short Film Guidelines and What We're Looking For

- Each production group needs to submit a short film, 3-5 minutes long. The concept of your short film should be a PSA about an issue facing youth in your community.
- Students should write, shoot, edit and act in this piece.
- It can be shot on a camera or smartphone and edited with whatever program you have.
- We want to see how you tell the story. Submissions will be judged on your creativity and thoughtfulness about the issue.

Submitting Your Work

- Send your application to: filmfestival@etadventures.com
- Submit a private link to your short film - do not share it publicly until after the festival (e.g. YouTube, Dropbox, Vimeo, etc.)
- Include with your film submission:
 - ✓ The name of the film
 - ✓ The name of the production group that created it
 - ✓ The name of your school
 - ✓ The name of your teacher
 - ✓ The name of each student involved and their role (i.e. Director, Writer, Played role of Jane Doe, etc.)
 - ✓ What type of camera was used to shoot the film
 - ✓ What program was used to edit the film
