

ARTS for AUTISM

PERFORM ONSTAGE WITH BROADWAY PROFESSIONALS FOR A ONE-NIGHT CONCERT EVENT TO RAISE MONEY FOR AUTISM SPEAKS!

JUNE 24, 2019

Believe NYC and **Educational Travel Adventures** are seeking choir, dance, and musical theatre groups to perform on Broadway. Select groups will have the once in a lifetime opportunity to perform alongside seasoned Broadway performers in an inspiring concert event to raise funds for Autism Speaks.

In 2017, a myriad of Broadway stars joined the case including the night's host, Kelli O'Hara (*The King and I*) and Tony Award nominees Stephanie J. Block (*Falsettos*), Christopher Jackson (*Hamilton*) and Adrienne Warren (*Shuffle Along*)! Other Broadway performers included Jennifer Laura Thompson (*Dear Evan Hansen*), Teal Wicks (*Wicked*), Betsy Struxness (*Hamilton*), Sasha Hutchings (*Hamilton*), Carleigh Bettiol (*Hamilton*), Kelvin Moon Loh (*Spongebob, The Musical*), and more!

Selected groups will be given materials to rehearse six to eight months prior to the event. During your stay in New York City, each group will participate in two rehearsal sessions with Broadway choreographers, music directors, and actors. Just like every Believe NYC Experience, these sessions are designed to give students valuable tools that can be applied throughout their performance careers. After rehearsals, your group will be able to mingle with the cast at a cast dinner.

Believe NYC is thrilled to support Autism Speaks with this exciting and meaningful event. Autism Speaks is the world's leading autism science and advocacy organization dedicated to promoting solutions, across the spectrum and throughout a lifetime, for the needs of people with autism and their families. The Arts for Autism benefit concert is a unique way for performing arts students to give their time and talent to an organization that has positively impacted the world community.

REQUIREMENTS:

- Performing groups should be between 30 and 60 people. Small groups may be combined with another performing group. Larger groups may be divided into multiple performing groups.
- Complete the application and submission information on the next page.
