Dr. Manal Ibrahim | Chicago, IL

Can I Really Treat This with Invisalign?

Join us for this session where Dr. Manal Ibrahim will walk you through a series of complex patient types and show you how you can confidently offer Invisalign to similar patients in your own practice.

Dr. Jay Bowman | Kalamazoo, MI

A View from the Clinical Trenches: Research on the Effects of AcceleDent

Dr. Bowman will present his latest published clinical research on the effectiveness of pulsatile forces to accelerate treatment for advanced malocclusion patients.

Dr. David Couchat | Marseille, France

International Lecture Increasing Predictability - Using AcceleDent in Aligner Therapy

Dr. David Couchat will show us how he expand the level of case complexity by treating aligner patients with AcceleDent to reach much more predictability, also in complex cases.

Dr. Iván Malagón | Madrid, Spain

International Lecture Supercharge Your Aligner Results

Dr. Malagón will share how utilizing AcceleDent provides a more favorable biological response with predictable and lasting tooth movement, ultimately supercharging his aligner results.
