Help the work live on.

Include a Charity

Fundraising Institute Australia (FIA) is pleased to offer organisational members the opportunity to participate in the Include a Charity campaign, which is a collaboration of many of Australia's most progressive charities that have joined forces to promote the concept of gifts in Wills to dramatically increase revenue for the charitable sector.

By working together, we believe we can change charity giving forever so that over time, gifts in Wills become the norm for many, rather than just a few.

Our goals moving forward are within our reach and our vision is to see the annual gifts in Wills income for Australian charities surpassing \$1 billion by 2025.

We can achieve so much more by working together.

What you need to know...

Please note only FIA organisational members are permitted to become Include a Charity supporters. We invoice on 1 July for the financial year ahead and supporters who join throughout the year will be offered a pro-rata rate. The supporter fee is based on your individual annual fundraising revenue (excluding any government grants).

All campaign fees will be used exclusively for the Include a Charity campaign and activities.

The organisation confirms that it has agreed to support Include a Charity by paying the Annual Subscription fee for a period of three years with effect from the date of signing this form. Annual invoicing will occur in June for each financial year.

If the organisation's annual fundraising revenue increases or decreases to the extent that the organisation no longer satisfies the eligibility criteria for the current Band, the organisation undertakes to notify Include a Charity of its revised annual fundraising revenue within 1 month of publishing annual report.
