Ultimate guide to supporting

BELOTTO.

MAKE PART OF THE NEW ERA OF LOTTERIES IN FIVE SIMPLE STEPS

2018

Step 1

HAVE AN ERC-20 WALLET

Any ERC-20 compatible wallet will be able to receive BEL Tokens. If you don't have one you can go to https://www.myetherwallet.com and get one for free.

BELOTTO®

Step
2

CREATE AN ACCOUNT AT BELOTTO

Go to https://belotto.tokennow.io and click on "Register Now", fill in your basic contact information and click on the "Sign Up" button.

BELOTTO®

Step 3

CONFIRM YOUR E-MAIL

Go to your inbox and find an e-mail from Belotto, if it arrived at your "Spam" folder be sure to click on "This is not spam". Open it and follow the link. Complete the KYC form, once it is approved you will unlock the complete dashboard.

BELOTTO®

Step 4

MAKE ETH TRANSFER

Go to your personal wallet and transfer the desired amount of ETH to this address: 0x1D54064456965c1dA3B95241aAfe9218f22F48D8.

BELOTTO®

Step 5

RECEIVE BEL TOKENS

At the end of the ongoing sale stage we will send you the BEL tokens plus bonuses to your personal wallet.

Easy!

BELOTTO®

REMEMBER

*Do not pay from exchanges or wallets that do not support tokens.

*You may perform **unlimited transactions**.

*The minimum amount to contribute is **0.1ETH** (~70USD).

*If you send any cryptocurrencies to the Smart Contract address without having registered, you risk losing your money. Follow the steps explained above.
