Should BeMyApp need to transfer certain information for the purpose above, BeMyApp will ask you your authorization as per the Terms & Conditions for the Challenge, and such data processed by Huawei will be then subject to such terms hereunder.

Transfer of Personal Data out of the EEA

Huawei is a world-wide group of companies, which operates not necessarily along the borders of legal entities and countries, but according to functions which may exist across various group companies and countries. Like most global organisations, Huawei has centralised data management systems in place which involve Personal Data being accessible by Huawei group companies outside of the European Economic Area.

In particular, we have R&D Centers and cooperation team members in various countries. We also have IT management systems as well as events, travelling and accommodation support, which are hosted and managed by our parent company (Huawei Technologies Co. Ltd.) and affiliates supporting events (Smartcom (Hong Kong) Co., Ltd.).

This international transfer of Personal Data is covered by appropriate safeguards for the transfer of personal data to a third country by adopting the standard data protection clauses adopted by the European Commission in accordance with the Committee procedure set out in Article 93(2) GDPR. Further information about the appropriate safeguards may be obtained from <https://www.huawei.com/en/privacy-policy>.
