

# Get a vehicle report before you buy.

Know the history of the car and any important issues.

# Why you need to get a vehicle report

One in three vehicles checked has money owing, an inconsistent odometer reading, previous damage or is reported stolen? If you buy a car without getting a full history check, you run the risk of it debts still owing or being worth far less than you paid for it.

## Simplify reports cover important checks, including:

### Money owing and outstanding loans

- If there is a security interest registered, another person or company may seize a vehicle to pay off the debt.
- Often vehicle debts are hidden on vehicle's past plates.
- There are over 500,000 registered debts on vehicles each year and 250,000 debts hidden on the past plates.

### Registration and licence

- Ensure vehicle currently licensed and registered.
- Ensure the vehicle be driven on the road and vehicle usage type.
- Has registration been canceled, when and what was the cause.
- Current registration status.
- Origin of the vehicle registration.
- First registered in New Zealand and if it was registered overseas.

### Ownership history

- Full New Zealand ownership history and how many owners.
- Name and address details on non-individual ownership.

### Previous damage

- Imported with structured damage and identified at the border.
- Ensure the vehicle been identified has not been damaged by water and/or fire to the extent below the safety standard required by New Zealand law.

### Vehicle valuation

- Find out the current market valuation of your vehicle is. Where available the future 1 year and 2 years values also provided.

### Plates history

- The history of registration plates that have been issued for this vehicle in New Zealand.

### Any issues

- The Report details history and debt, checks and exposes any problems in one easy to read list of alerts, warnings and notices.

### Odometer history

- Odometer readings history of recorded at the WOF/COF inspections and during import border inspections.
- Have the readings been consistent.
- Estimated current odometer reading.
