

PARTICIPANT 6-STEP PLAN TO START YOUR MENTORING JOURNEY

Start your mentor search
using the filters.

TOP TIP: Create a shortlist of potential mentors you would like to reach out to.

To select your mentor send a
'Request' to your chosen mentor.

TOP TIP: Your mentorship is formerly in place when the mentor accepts your request.

By Module 3 of the course – start your
1-2-1 business mentor sessions.

TOP TIP: Check the platform regularly for messages and log each of your mentoring sessions.

Complete your profile in your
Help to Grow mentoring platform.

TOP TIP: Ensure you include a photograph of yourself in your profile page.

Contact each mentor from your selected
list to arrange an exploratory call.

TOP TIP: Be responsive to potential mentors and schedule an exploratory call with each mentor. Use the Messaging function in your mentoring platform.

Agree and sign the
Mentoring Contract.

TOP TIP: Review, discuss and agree this contract between you and your mentor.

We are here to support you throughout your journey.

After your profile is completed, you can find further support and training by logging on to your Help to Grow: Management Course account. For any questions, contact the Mentor Relationship Advisory Team at hello@helptogrowmentor.com.
