**Feeding Directions:** Feed FBN High Energy Breeder Cooked Molasses Tub with Amaferm® free-choice to beef cattle on pasture or roughage rations. Make sure animals have adequate pasture or roughage available and are not starved for salt or minerals. Feed continuously. Recommended consumption FBN High Energy Breeder Cooked Molasses Tub with Amaferm® is 0.75 to 1.50 pounds per head per day. Consumption will vary according to the weight of the animal and the quality and amount of available forage. Increase the number of tubs and move tubs closer to water or loafing areas to increase intake. Decrease the number of tubs or move farther from water or loafing areas to decrease intake. Provide at least one tub for every 15 to 20 animals. Provide free access to fresh, clean water at all times.
