

Ensure a better payday for your employees with the SHRM PaySolution Enabled by Money Network®

Electronic Payroll Delivery Service

With SHRM PaySolution Enabled by Money Network®, you can achieve 100% electronic payment of wages, simplify and optimize your payroll processes, and reduce administration costs. Employees participating in the Service benefit from a solution that enables them to receive their pay electronically, easily manage finances using the Money Network® Mobile App¹, and offers multiple no-cost options for accessing wages.

²Based on Money Network data.

\$17.9 Billion
Funds Delivered Annually²

4,000
Clients Served²

2 Million
Active Cardholders²

“We’ve all but eliminated the \$90,000 a year that we were spending on shipping. We’ve also eliminated the cost of the checks themselves. And our payroll and HR people are no longer trying to locate or reissue lost checks, so there are savings in many areas.”

— Payroll Manager at Large Provider of Skilled Nursing and Rehabilitative Services in the U.S.
