**Notre gamme comprendra aussi de nouveaux motifs et ensembles.**

## IT

Simile al tessuto, l'**airlaid**, viene prodotto lavorando **fibre vegetali** di cellulosa attraverso l'utilizzo di fortissimi getti d'aria. Nasce così un ottimo sostituto del classico tessuto che si distingue per le sue caratteristiche di resistenza e assorbenza.

L'**airlaid** ti permette di decorare, con stile ed eleganza, la tavola in tutte le occasioni.

## FR

Étant similaire au tissu, l'**airlaid**, est produit en traitant des fibres végétales de cellulose au moyen de forts jets d'air. Il en résulte qu'il est un excellent substitut du tissu classique qui se distingue par ses caractéristiques de résistance et d'absorption.

L'**airlaid** permet de décorer la table, avec style et élégance, à toute occasion.
