The SheEO Global Summit is a two-day gathering for women working on the World's To-Do List. Activators, Ventures, women entrepreneurs, corporate employees, community allies and elders in the SheEO Community will come together to co-create an action plan for change.

What is a SheEO Activator?

Is this event only for women?

Everyone is welcome at day one of the Global Summit & The Afterparty. Day two has been designed as an Activator and Venture ONLY day, meaning a gathering of women in the SheEO community.

At SheEO, when we say women, we mean anyone who identifies as a woman; non-binary, gender-fluid, gender non-confirming folks, or any person that would like to be included in this definition.
