

Amy Bruske

President and Integrator of Kolbe Corp / Human Performance Expert

PRESIDENT AND INTEGRATOR OF KOLBE CORP

She is the expert voice for real-world applications of the Kolbe Concept® — the authoritative theory for human instinct and performance. As president and co-owner of Kolbe Corp she helps entrepreneurs, corporate leaders, parents, and other consultants Do More, More Naturally, by tapping into the power of their own and others' conative strengths.

Amy is also the co-author (with Kolbe Corp CEO David Kolbe) of Do More, More Naturally, the quintessential guide for effortless success. In addition, she partnered with renowned theorist Kathy Kolbe to author Business is Business, the groundbreaking family business guide. Amy speaks frequently on entrepreneurship, leadership, and family business management.

ABOUT KOLBE CORP AND THE KOLBE A™ INDEX

An instinct assessment so powerful you'll discover the foundation for everything you do moving forward. Kolbe measures your instinctive way of doing things and the result is called your MO (method of operation). It is the only validated assessment that measures a person's conative strengths. Unlike any other assessments or quizzes you've taken, Kolbe gets directly at how people execute (not their IQ or personality).

DO MORE
MORE NATURALLY

POWERED BY INSTINCT PODCAST

Powered by Instinct is a podcast for professionals who think about how people's fundamental nature drives performance and want to get more out of themselves and the people around them. In each episode, Kolbe experts will interview top performers, team leaders, consultants, and coaches to discuss identifying team member strengths, aligning those strengths with their jobs, and optimizing individual and team performance. It's the perfect resource for curious, interested people who want to get more done, more naturally.
