

CELPIP Preparation Program

The CELPIP Preparation Program offers in-depth strategies and skill-building for each component of the CELPIP Test.

Core Program Materials

The CELPIP Preparation Program has been designed to prepare students for individual components of the CELPIP Test and includes four 18-hour skills modules: Listening, Reading, Writing, and Speaking. Lesson plans, online media files, and recommended homework assignments are all included.

Instructor's Guides

Each module contains 6 lessons and the corresponding Student Workbook as a printable PDF. Accessible via an instructor's CELPIP account.

Student Workbooks

The Student Workbooks are an essential component of classroom activities. Available for free to Network members in PDF.

CELPIP Preparation Program - Practice Tests

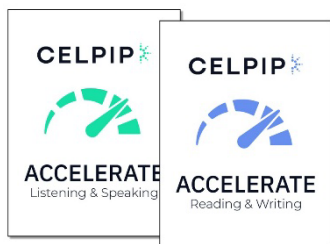

CELPIP Preparation Program — Practice Tests are available free to all users of the CELPIP Preparation Program.

The core program materials used to deliver a 72-hour classroom preparation program include the following components: **Instructor Guides**, **Student Workbooks**, and **Practice Tests**.

Preparation Providers in the CELPIP Network are provided with guidelines and recommended syllabus to support teachers.

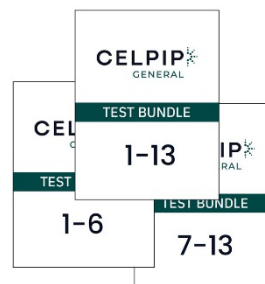

Recommended Study Materials

We offer a range of supplementary study materials which include the following:

CELPIP Accelerate Bundle

Self-directed study programs, each with over 30 instructional videos, numerous interactive quizzes, and in-depth analyses of sample responses.

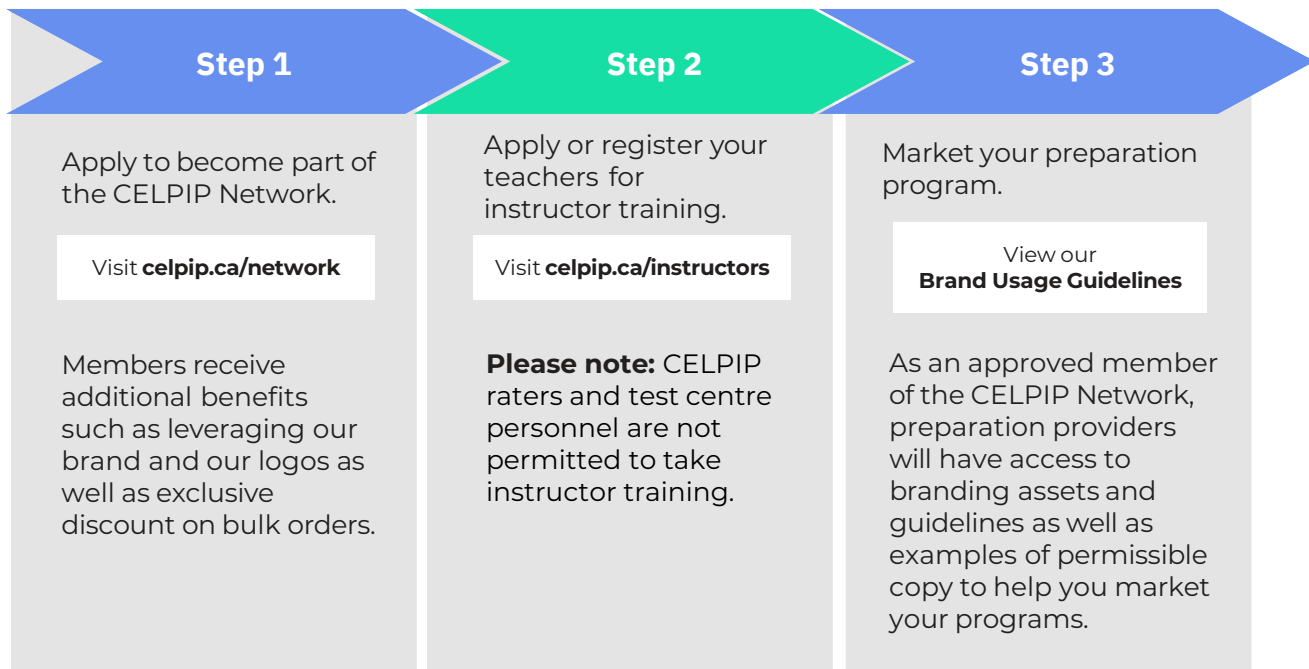

CELPIP Practice Tests Bundles

Complete practice tests and instant Listening and Reading Test scores, and sample Writing and Speaking responses at three performance levels.

Visit our [official CELPIP Bookstore](#) for a full list and prices of our study materials¹.

¹Study materials can be purchased directly from the bookstore with a credit card. Additionally, members of the CELPIP Network can purchase select digital study materials in bulk and receive region-specific discounts.

Frequently Asked Questions

What does the curriculum look like?

Each module focuses on a skill — Listening, Reading, Writing and Speaking — and includes 6 lessons. For example, the curriculum for the Listening module includes:

1. Overview of the Listening Test & Listening Part 1
2. Listening Lesson Part 2 & 3
3. Listening Lesson Part 4
4. Listening Lesson Part 5
5. Listening Lesson Part 6
6. Listening Test Practice

Do you have preparation content catered towards helping people get a CLB 9+ in the prep program?

The program is made in such a way to help people of all levels. There are also sample responses to give students a clear indication of a level 5, 7, 9 and 12.

How much should I charge?

Schools may set their own prices for the preparation program. There are many factors to take into consideration: number of students, number of class hours, duration of the course, instructor(s) salary, cost of the study materials included or not, etc.

Members of the CELPIP Network receive Instructor Guides and Student Workbooks for free in PDF. Workbooks can be printed and distributed among students at no charge.
