WHAT IS DIRECT DEPOSIT?

The electronic transfer of a payment directly from the account of the sender to the recipient's account.

HOW TO SET UP DIRECT DEPOSIT:

1. Get a direct deposit form from your employer
2. Fill in account information
3. Confirm the deposit amount
4. Attach a voided check (if necessary)
5. Submit the form to your employer

WHAT ARE THE BENEFITS OF DIRECT DEPOSIT?

- No need to physically be at your place of work in order to get paid
- No unnecessary trips to the credit union on pay day
- Ability to control how paycheck gets distributed into account
- Eliminates possibility of lost or stolen checks
