

## Founders Associate (m/f/d)

full-time / Munich / remote work possible

Fanbase GmbH was founded in November 2020 in Munich, Germany and is an ambitious and well-funded tech start-up focusing on the creator economy. Fanbase is a social marketplace for digital content that allows creators to build a vibrant, sustainable community. It's goal is to establish the world's leading creator platform for monetization of digital content.

You will get the chance to be part of a high growth startup that aims to revolutionize a global megatrend topic. Overcome challenges with us and celebrate wins together with the team.

### Responsibilities:

- Be the wing woman / man and sparring partner to our CEO
- Work closely with our experienced founders on various interdisciplinary projects (e.g. Sales, Marketing, Finance) as well as daily tasks
- Own strategic projects and drive topics proactively
- Conduct competitive and financial analyses as well as KPI deep dives to generate strategic insights and growth opportunities
- Help us achieving our vision to revolutionize the creator economy

### Qualifications:

- Business-related degree at a top university with outstanding results
- Experience in a top tier consultancy, VC or startup environment
- Excellent communication skills in English and German
- Strong entrepreneurial drive and self motivation
- Proactive organizational talent, flexible and independent working
- Passion for social media and the creator economy
- Very good analytical skills and first experience in financial modeling

### Benefits:

- An exciting job in a tech start-up with great opportunities for development into a senior leadership role
- A experienced founder team with great track record
- Great potential to grow both professionally and personally
- A competitive compensation with flexible working hours
- The chance to shape the future of Fanbase
- Flat hierarchies and a determined team with diverse backgrounds
- An atmosphere of passion and a cool office in the heart of Munich
