**My name is Nathaniel Jordan “The Minister Of Wellness.” I would like to suggest a segment called “The 12 Components Of Food Addiction Making Us Fat & Sick”.**

I’d like to teach your audience how to identify and overcome their frustrations and sense of hopeless when it comes to eating in a manner that supports their health & weight loss goals. We are the most overweight and sickliest nation in world history, although EVERYONE wants to be lean and healthy. 95% of ALL Diet attempts FAIL. The reason why is because diets do not address vicious cravings and withdrawal symptoms that fuels overeating. There is a way we must eat to rid ourselves of “TOXIC Hunger”.

**I Will Reveal To Your audience How to Attain the Health Goals They Desire but Can’t Overcome The 12 Components Of FOOD ADDICTION To Stay The Course.**

*I have maintained my weight loss of 100 pounds for over 6 YEARS, despite being addicted to the very same junk foods wreaking havoc in our society. I’ve learned to defeat my food addiction meal by meal, day after day, year and year. Through my many ups and downs with battling this beast, I have become a master at teaching others how to do the same. I travel the nation teaching empowerment principles to turn failure into victory, to give HOPE to the hope-LESS, and setting free the captives of the Deadly American Diet.*

***Give me 5 seconds and I’ll have your audience pumped up to defeat their food addiction once and for all and start EATING TO LIVE!***
