Doctor On Demand by Included Health®

*Helping your employees get the care
they need virtually and quickly*

Blue Cross and Blue Shield of Alabama continues to look for ways to improve the services we offer our customers. We are excited to introduce a new teleconsultation vendor, Doctor On Demand.

With Doctor On Demand, your employees and covered dependents can get easy access to a dedicated primary care physician (PCP) in less than 4 days, compared to the national average of 25 days. They can connect with top doctors and therapists 24/7/365, whenever and wherever they need care.

NEW with Doctor On Demand!

Virtual Primary Care gives your employees the opportunity to establish a relationship with a virtual primary care doctor.

With Doctor On Demand Virtual Primary Care, your employees will receive the following:

- ▶ Dedicated PCP
- ▶ Chronic Condition Management
- ▶ 24/7 Everyday and Urgent Care
- ▶ Annual Check-Ups
- ▶ Family Medicine
- ▶ Integrated Therapy and Psychiatry
- ▶ In-Network Referrals
- ▶ 24/7 Care Team Support
- ▶ Integrated Pharmacy and Labs
