

Managing student debt
will never be fun.
But it could be easy.

PAVIR employees who signed up for Summer are projected to save an average of **\$15,537** over the life of their loans, with the help of Summer's personalized guidance and Public Service Loan Forgiveness (PSLF) support. Plus, they're also on track to have an average of **\$28,145** forgiven through federal programs.

Summer helped me navigate everything, providing
consistent clarity and support when my loan servicer just
provided 3-hour hold times. Thanks to them, I saved
almost \$16,000 in forgiven loans!
