

Open Day Program

The 24th International Network Meeting for the Treatment of Psychosis

As the Meeting takes place the first time in Poland, therefore at the **Open Day** you will find out how the International Network has helped the Polish team (since 2012) to build needed competences in Open Dialogue and then convince decision-makers to dedicate EU resources to set up four **Community Mental Health Centers**. They are piloting mental health system transformation in Poland.

8.00 - 9.00 Registration

9.00 - 10.00 Interview with **prof Bogdan de Barbaro** (Collegium Medicum Jagiellonian University) who - as the first person in Poland, shared his interest in OD.
Presentation **prof Jaakko Seikkula** *“Open dialogue increases the resources of clients and their families - results are visible after 20 years”*.

10.00 - 11.00 Interview with **prof Jacek Wciórka** (Institut of Psychiatry and Neurology) and **dr n. med Aldona Krawczyk** who - as the first psychiatrists, ordered OD course for their team.
Presentation of **dr n. med Werner Schuetze** - the key OD trainer for Poland *“Reaching hands across the borders - introducing OD into Poland”*.

11.00 - 11.30 Coffee break

11.30 - 12.30 Interview with **dr n. med Renata Wallner** (Medical University Wroclaw) - the first Polish OD trainer, working since 2013 with Werner Schuetze.
Presentation of **Magnus P. Hald** who enabled a 2-year project for 6 countries (2013 - 2015) to spread OD over borders *“Trying to apply network thinking in a drug-free treatment program”*.

12.30 - 13.30 Interview with persons graduated in 2014 in OD: **Bożena Piróg**, **Aleksandra Lisińska-Jarża** (children&adolescence) and **Beata Walter** (adults).
