UrgentCast from MySchoolWorx allows you to do just that.

UrgentCast is the optional feature admin users can use to create and send SMS (text) broadcast messages to the mobile phones of parents and other school groups directly from within the MySchoolWorx program.

SMS (Text) messages are delivered to mobile phones, and can contain up to 140 characters in a single message.

Using MySchoolWorx UrgentCast is easy, convenient, fast and affordable.

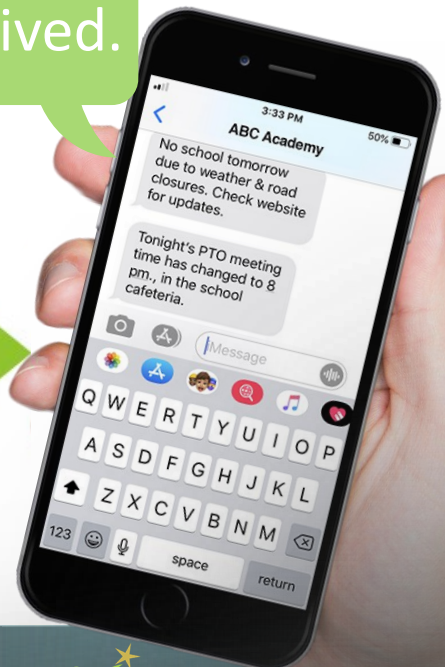

- No setup fee.
- Approx 3 cent per 140-character message.*
- Access to the application from MySchoolWorx is free.
- You pay only for text messaging delivery fees.
- Unlike other applications, live support is free.
- No charge for creating special groups to message.

Sending group text messages is quick and easy.

** Price per message is set by carrier and subject to change/fluctuation.*
