

Right Now Alpine Stream

Right Now is all about making sure that you can have great wine whenever and wherever you want it. We only use high-quality fruit, because a can is not an excuse to compromise on quality.

The Right Now Alpine Stream is a vibrant Rhone inspired white. Made to drink year-round, this canned white has notes of peach, ripe stone fruit, and apricot that fill the mouth. Selected from prestigious single vineyards in Lodi, and harvested at night to protect the fresh flavors, the grapes were fermented separately and blended based on trials of the individual character of each wine.

Varietal/Composition

85% Pinot Gris, 10% Viognier, 3% Sauvignon Blanc, 2% Vermentino

Winemaking

The single vineyard grapes were pressed and fermented separately in stainless steel tanks. Different yeast strains were used to best express the characteristics of each variety with added dimensions and complexity. After fermentation the wines were blended based on trials of the individual character of each wine.

Tasting

Right Now Alpine Stream is a year-round white full of peach, stone fruit, and dried apricot flavors that are offset by a good acidity and hints of white pepper spice.
