This North Coast blend takes grapes from all over the region to make a wine that is dark with intense fruit flavors. Warm fermentation and extended skin contact left this wine with dark fruit notes of honeyed ripe dark cherry and complex hints of mocha and oak.

Varietal/Composition

56% Syrah, 19% Merlot, 16% Petite Sirah, 8% Zinfandel

Winemaking

This wine comes from the North Coast AVA which saw textbook weather patterns in 2016: warm spring days, shifting to a hot, bright summer with cooling coastal breezes in the evenings. The optimal ripeness allowed for long warm temperature fermentations with extended skin contact.

The wine has medium plus intensity, and is dark fruited with honeyed ripened cherries. It has a full body, medium-firm tannin, and complex and hints of mocha and oak.
