

Custom Content — Built With Expertise

Training isn't one-size-fits-all. Your staff members are individuals, and you need content tailored to their needs and preferences. But building a course from scratch can be a daunting task.

Let Relias help you create the courses you need with our Custom Content Program.

With your content and our expertise in adult learning theory, you can have high-quality courses that are professional, engaging, and effective — and most importantly, customized to your organization.

Take your training to the next level by leveraging Relias' network of e-learning professionals with features like:

AUDIENCE-SPECIFIC CONTENT

Transform those local or state regulatory courses you initially created into a well-designed, polished training that resonates with your audience.

GAMIFICATION ELEMENTS

Utilize game design techniques to improve performance and increase engagement.

PROFESSIONAL VOICEOVER

Bring your content to life and engage your learners in a way that best speaks to them.
