Dental Emergency Assistance Scheme

Request for Assistance

Emergency Temporary Treatment Costs and Callout Fees

It is important that your request for assistance, where possible, has been pre-authorized prior to submission. To obtain pre-authorization, please contact the Assistance Team on 03300 532 061 or outside of office hours call the Dental Helpline on 0808 169 8117.

The admission of a request by the Worldwide Dental Emergency Assistance Scheme is at the sole and absolute discretion of the Scheme Manager.

If admitted, your request will be considered by the Scheme Manager, against the schedule set out in the Scheme Handbook, which provides a guide to the level of benefits to which you may be eligible.

You will need to meet any other costs charged by the treating dentist.

Please ensure you have read the Scheme Rules and associated Benefit Schedule to ensure you are familiar with any limitations or exclusions that may apply to your request. A copy is available at scheme.wdeas.co.uk/patients

Please provide as much information as possible to ensure your request is processed efficiently and promptly.

- A Request for Assistance Form must be completed by you (and the treating dentist where specified) and must be submitted within 60 days of the trauma or emergency incident, together with an itemised receipt or invoice from the treating dentist.
- You must, at your expense, provide any reports, certificates, information and evidence that is relevant to support your request.
- We may request copies of your dental records, photographs, x-rays or other supporting documentation in the processing of your request.
- If a request for treatment abroad is admitted we will pay benefits in Pounds Sterling using FX Converter at www.oanda.com. The exchange rate will be calculated at the rate in force on the date of the payment unless evidence of Sterling conversion value is submitted with your request.
- The Scheme Manager reserves the right to recover the cost of a request admitted by the Scheme from any third party.
- Payment of the benefit is normally made direct to the dentist providing the treatment, but can be made to you if you have directly incurred costs.
