CEBOT FELLOWS AT DIT

**25 Students Will Be
Selected on Monday**

A distinguished student
fellowship opportunity under the
DIT-CEBOT Horizons Alliance

The DIT-CEBOT Alliance Joint Working Group will select 25 CEBOT Fellows to join a high-visibility student cohort connected to a growing platform for innovation, applied learning, and future-ready leadership.

This Is Bigger Than a Title

It is an opportunity to engage in a strategic platform focused on:

AI • Cybersecurity • Innovation • Research • Workforce Development

The DIT-CEBOT partnership is building new pathways that strengthen student opportunity, expand practical experience, and help shape the next generation of leaders for Tanzania's digital economy.

Selection Day → Monday, March 16, 2026
