

How do I edit an item in the cart?

Posted: Oct 20, 2016

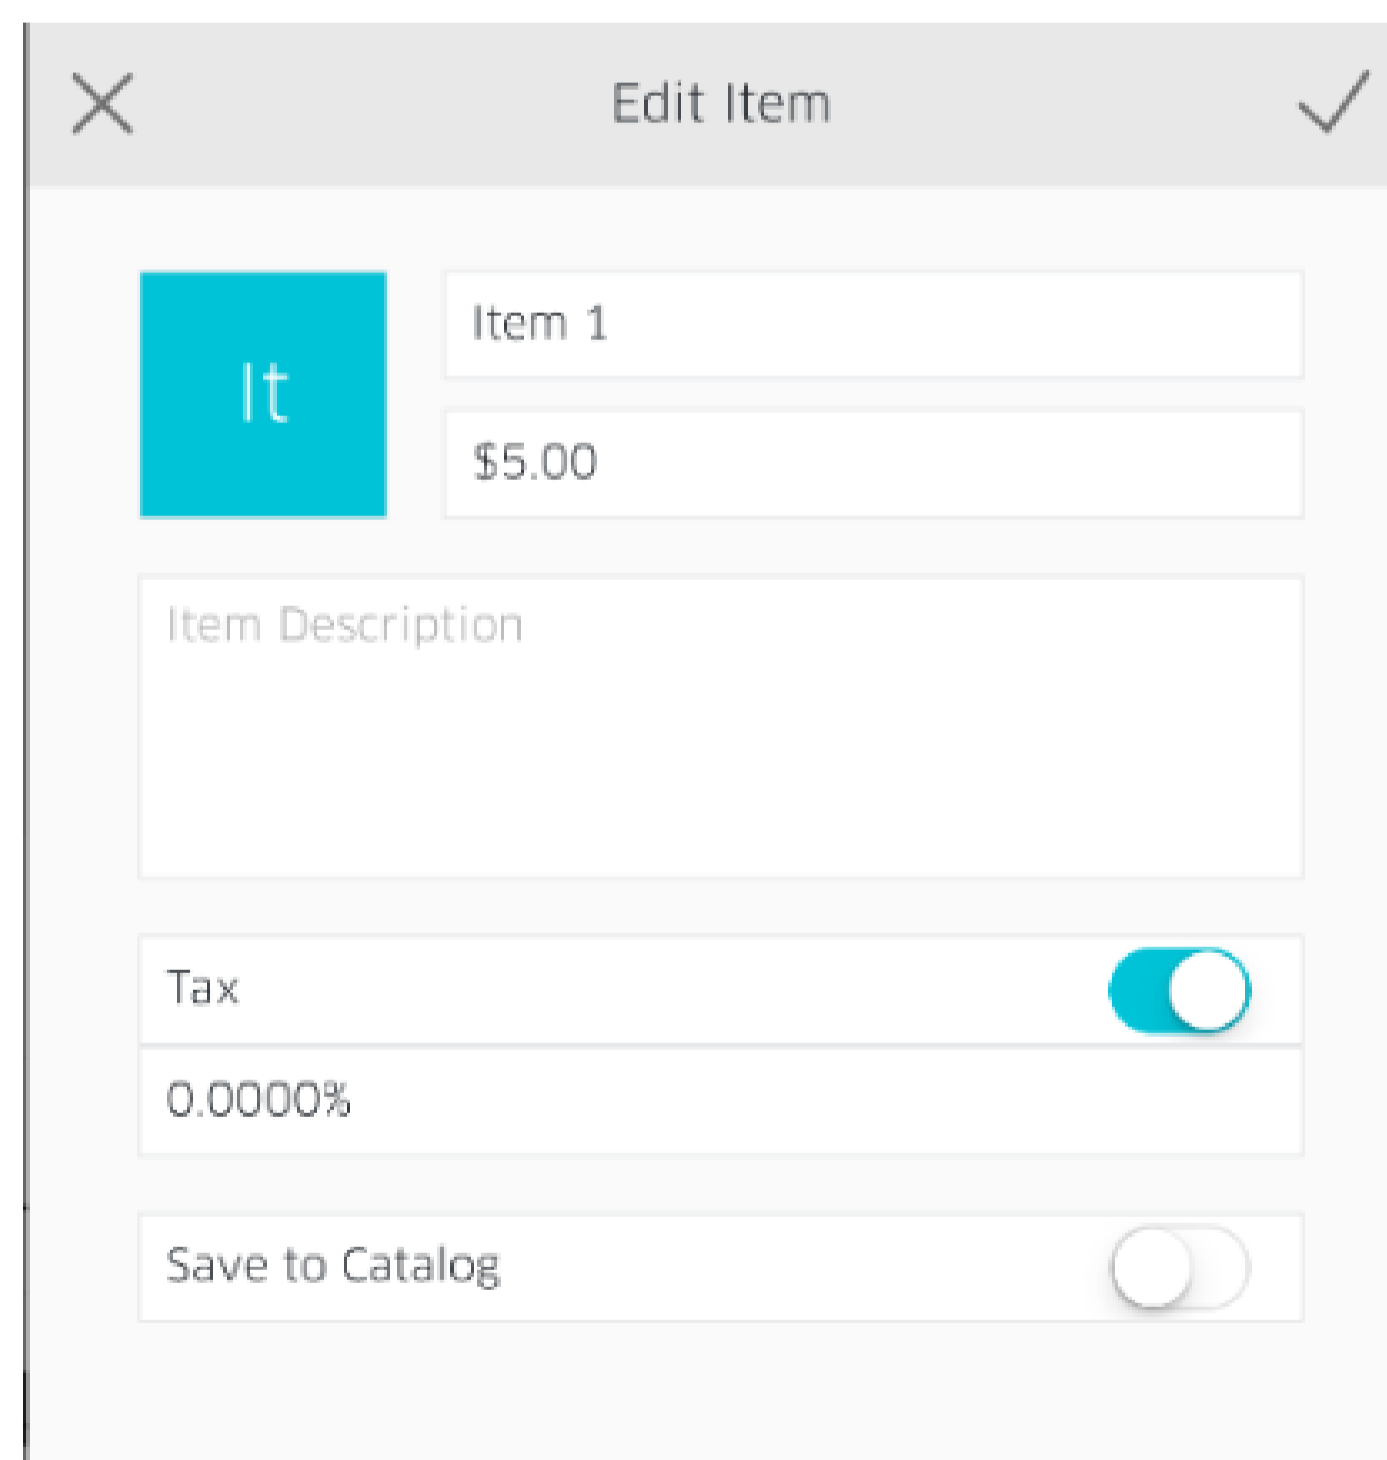

1. Go to the cart screen

2. Tap on the shopping cart in the upper-right side of the screen.
3. Locate the item you would like to edit, and tap anywhere on its row.
4. Tapping on an items' row will display all options available for that line item. Tapping on the clipboard graphic (shown below) will edit the item.

4. If you choose to edit the item, you will be presented with the following screen:

5. This screen will allow you to make the following customization to your item:

- Add/edit picture
- Change item name
- Change item value
- Add item description
- Enable/Disable tax
- Add to catalog
