How do I set a tax % for specific items in the cart? Posted: Oct 20, 2016

1. Add items to your cart 2. Edit Item

1 x \$1.00			
	\times		Edi
		Co	Cookie
			\$1.00
		Item Description	
		Tax	
1		0.0000%	
1			
		Save to Catalog	
4			

- corner to save.

in 👛 B

Enable/disable Tax for this specific item using the toggle button (if you don't see a Tax row, it's because Tax is disabled in the app settings).
You can also use this dialogue box to edit the tax percentage for this specific transaction. Tap the check-mark in upper right-hand
