How do I connect the MOBY/5500 reader to my device?

Posted: Jul 14, 2021

<u>Pairing via Bluetooth</u>

The MOBY/5500 reader pairs seamlessly to your device via Bluetooth. Follow the instructions below to pair:

1. Go to the cart screen.

- 9. RPX will then display the device name and a 6-digit passkey, and a random pattern of LED lights will appear on the front of the reader. Tap Ok and the Moby/5500 will be temporarily paired for 30 seconds.
 10. Press the On/Off button on the Moby/5500 reader.
 11. The Moby/5500 will beep, and both the mobile app and the Moby/5500 will display the same random pattern of LEDs.
 12. Tap Confirm on RPX to validate that the LED light pattern is the same on both the Moby/5500 and the mobile app.
 13. Once successfully paired, you will see the graphic of your MOBY/5500 reader overlaid on your screen, as shown below. In addition to the large graphic on the screen, a miniature graphic of the reader will be shown across the top navigation bar.
