
How do I know the status of the battery in my Moby/5500 reader?

Posted: Jul 22, 2021

- When the battery is fully charged, the red light on the device will remain illuminated.
- When the battery is low, the red light on the device will blink once every three seconds.
- When the batter is very low, the red light on the device will blink every one second.
- When the battery is dead, the light will no longer be illuminated.
