# SAP S/4 HANA

As a seasoned systems integrator, Intertec has seen first-hand the value that SAP S/4 HANA is driving in diverse industries and operating models. Intertec's objective is to leverage its toolset and inherent expertise in the field to provide insight that will help organizations understand the journey to SAP S/4HANA.

Intertec is well positioned as a partner that can guide organizations along the path to SAP S/4 HANA and beyond, including the journey to implementing the solution and exploiting its value beyond the Digital Core.

SAP S/4 HANA is the foundation for the Digital Enterprise. It offers businesses instant insight and intuitive User Experience.

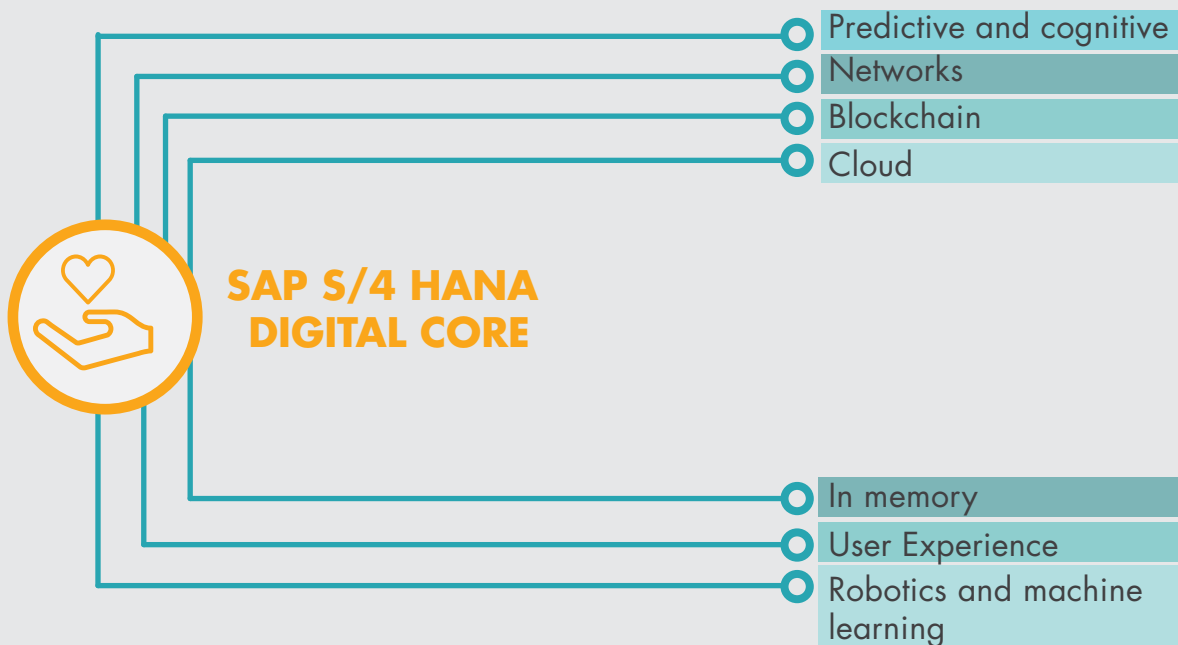

Flexible and adaptable systems that deliver insights to improve business agility and customer satisfaction.

## CAPABILITIES:

Intertec advises, implements, and supports the migration of your legacy business suites to SAP S/4 HANA. New technologies will determine the future of Enterprise Systems.

### DIGITAL TECHNOLOGY IS TRANSFORMING HOW BUSINESS GETS DONE

The future of Enterprise Systems will be determined by new technologies

Enterprises are partnering with Intertec to:

- Find actionable and valuable information from their large amount of data
- Perform Rapid analysis and reporting that will accelerate business processes and/or find new revenue generating business models
- Reduce TCO through less hardware and maintenance costs
