AUBEA24: Uniting Professionals and Academics for Building Education Excellence!

Victoria University is proud to host the 47th Australasian Universities Building Education Association (AUBEA24) conference in Melbourne, Australia from 24 - 26 November 2024.

The AUBEA Conference is a prestigious event that brings together academics, industry professionals, government representatives, and relevant professional institutions from across the Australasian region, Africa, Europe and the USA.

The conference serves as a platform for networking, knowledge sharing, and collaboration in the field of building education and research. AUBEA24 is organised by the Built Environment program within the Institute of Sustainable Industries and Liveable Cities (ISILC) at Victoria University, and promises to be a premier event for professionals and academics in the built environment sector.
