Smart, affordable, transportable.

V200t

The Verifone V200t is an all-in-one, dual-function payment device that's designed to operate as a countertop solution via dial-up or Ethernet connectivity or as a portable payment solution with built-in battery and wireless radio functionality. As a member of the Verifone Engage family, the V200t combines features, functionality, and versatility to provide merchants the flexibility needed to run their businesses.

- Color LCD with sound capabilities to drive multimedia usage
- Modern, robust design—ideal for countertop use
- Faster processing to accommodate advanced multimedia usage
- Strong security and compliance with end-to-end encryption
- Accepts all payment inputs including NFC/CTLS, EMV, and magstripe
- Advanced commerce capabilities available
