

M450

Verifone's sleek, high-performance solution enhances the checkout experience with speed and security.

Drive seamless transaction experience with Verifone's versatile multi-lane solution. Designed for modern retail, the M450 is perfect for promoting your brand, increasing loyalty, and expanding your eCommerce capabilities.

Key Features

Customer experience

- Boost customer engagement on the **8" HD+ touchscreen**
- **Backlit contactless logo** for easy contactless payment acceptance
- Scan barcodes and validate APMs with the **integrated barcode camera**

Power and performance

- **Qualcomm processor** boosts apps performance
- **Connect to Verifone's cloud-based services** to enable omnichannel capabilities, such as eCommerce, Pay by Link, APM and more
- **Easily integrate with existing ECRs** with common wired connectivity

Secure the sale

- Keep transactions safe with a **PCI 7.x certification** and **anti-skimmer detection**
- Verifone sets the standard for accessibility with the **award-winning Navigator app**
